

## **NW Artisan Marketplace**

### **Franchise Opportunity**

We are a locally owned food and beverage marketing and distribution company serving the Pacific Northwest. Our commitment is to provide exceptional service working directly with local producers, and retail stores.

The NW Artisan Marketplace was founded in 2020 as a place to showcase our Regions finest food and beverage crafters. Each store hosts hundreds of different vendors with a large variety of the NW best locally made goods.

In 2022, with 3 locations serving the Pacific Northwest, the NW Artisan Markets sold over \$1 Million dollars annually of locally made CPGs, crafted foods, and beverages. That year our top store made over \$560k in revenue from the sales of local Artisan-made goods. We pride ourselves on the great reviews received from the products we produce, distribute, and sell.

In 2024, We are honored to expand this opportunity to others that would enjoy having a Turnkey boutique grocery store supplied with our top selling locally made products. We can help you find the best location, negotiate your lease, and help set up your POS system. Our services include a Wholesale supply of locally made products delivered to Your store every month, Marketing and sales support, Customer acquisition, Team training, and Store design & display.

Startup cost for a NW Artisan Marketplace franchise is under \$50,000 dollars and includes store products and services with some financing available. The franchise fee is 3% of total sales revenue and includes direct personal business support, advertising, special events including meet the makers with product sampling and tasting promotions.
